

PARENT INVOLVEMENT NOTICE

The Every Student Succeeds Act of 2015 requires the Northern Cambria School District to develop and distribute to parents a written Parent Involvement Policy that establishes the school district's expectations for parent involvement. The Northern Cambria School Board has adopted Parent/Family Involvement Policy 917 and Title I Parent Involvement Policy 918. *These policies can be found on the district website: <http://www.ncsd.k12.pa.us> and then going to District Policy Manual listed under Special Links.*

Title I Part A of The Every Student Succeeds Act requires a written parental involvement policy for Northern Cambria Elementary School's School Wide Title I program in grades K-4. Parents in grades K-4 meet annually to review the parental involvement documents and make any additions or changes.

Title I Part A of the Every Student Succeeds Act requires the Northern Cambria Elementary School to develop a "School Parent Compact," with parents of children in our Elementary School Wide Title I program. The compact must outline how parents, the entire school staff and students will share the responsibility for improved student academic achievement and the means by which the school and parents will develop the challenging PA Academic Standards.
