- Mail it to:

Respective Solutions Group

Once we receive the form, your child may begin attending program. Our programs are funded, in full or in part, with a grant by the Pennsylvania Department of Education, and are free to attend. We do at least one hour of homework assistance and tutoring, and at least one hour of an educational enrichment activity, each day. Besides getting help with homework and subjects in which they are struggling, students can also look forward to: STEM education, creative arts, exciting curriculum, positive behavior reinforcement, and more.

*On days that school is canceled, program is also canceled. If school dismisses early, there will be no program that day. Like our Facebook Page for updates on program and more:
